

CEMETERY MINUTES of JUNE 27, 2017

Present at meeting: Commissioners Butch Barney (chair), Ray Fontaine

Butch called the meeting to order at 6:00 P.M.

The minutes of 12-27-16 were reviewed. There were no corrections. Ray made a motion to accept minutes and Butch seconded the motion.

There was no meeting on March of 2017 due to Butch Barney and Bobby Daniels being absent due to health reasons.

Update on agenda: Ray Fontaine nominated Butch Barney as chair for the Cemetery board. Butch accepted nomination.

Dana Jacobs has been mowing the cemetery for the past few years. Others have asked to be considered for the position. Starting in 2018, mowing the cemetery will be open for bids.....

1. Bids must be in before meeting on March 27, 2018
2. Board has the right to accept or decline all bids.

Board is looking into allowing high school kids working at cemetery doing some of the tedious jobs as painting, helping to clear brush, trimming along fence, etc. Will need written approval from parents. They will not be allowed to use any power equipment such as chain saws or drive any equipment. Ray Fontaine will be the contact.

Board intends to work on fence that was destroyed on Cottage Road this year as time permits.

Ray suggested that more brush hogging needs to be done to clear areas for future cemetery use before they become trees, and to open and clear existing sites.

Lumber has been purchased for the gates for the cemetery. Construction is in process. The board plans to have this done this year.

To whom this may concern. It is in the Lakeside Cemetery By-Laws that the board reserves the right to remove shrubs, trees, bushes, etc. that is hiding headstones. There have been complaints to this fact. The board will put up notices when this is being done. Any questions or concerns call 723-6658
673-5939 723-6530

Meeting adjourned at 6:50 P.M.
