

Town of Brighton Reopens 10 Mile Square Bridge Following 2024 Flood Damage

BRIGHTON, Vt. — September 28, 2026

The Town of Brighton is pleased to announce the official reopening of the 10 Mile Square Bridge, replacing the previous structure destroyed during the July 2024 floods. The Town thanks Ruggles Engineering Services, M3 Construction, and D&H Trucking for their work on the project. Funding was provided by the Federal Emergency Management Agency.

“Reopening the 10 Mile Square Bridge marks an important step forward for Brighton,” said Town Manager Michael Strait. “We are grateful to our project partners and to FEMA for helping restore this vital connection for our community.”
