

SPECIAL MEETING – CEMETERY MINUTES

Date: May 8, 2018

Present: Commissioner's Ray Fontaine, Bobby Daniels, Butch Barney

Guests: Randy Humphrey, Bubba Humphrey

Butch called the meeting to order at 6:00 p.m.

Randy requested that he be allowed to dig the cremation grave for a family member. The board told him that they have a rule against this being done. It can be allowed with a meeting with the board and receiving the board's approval. This was discussed in length with Randy. Bobby Daniels said he would supervise the digging. The board asked him if was willing to accept the responsibility of doing the placement of the grave and to meet the requirements of the digging. Bobby said he would. Randy was given to understand that this would not necessarily mean he would be able to dig any other grave. Randy agreed to the board's terms. The board agreed that Randy would be allowed to dig the grave.

Meeting was adjourned at 6:25 p.m.
