Agenda

1. Call meeting to order.

2. Swim Lesson Time Frame and Staffing – Teach America to Swim has posted swim lessons for the last week of July. Sign-ups to go out at the same time as Encore.
 - Paul has secured \$500 from the hospital. To continue pursuing other supplemental funding.

3. Summer Offerings:
 - Kids Club – 5 weeks (last week of June – end of July) with 2 specialized weeks.
 - Soccer Camp – 1st week of August with Northern VT Soccer School – just waiting for final approval from the school board for use of the school soccer field.
 - Art Class – Dale Sunape to host adult art class weekdays in June at Sunrise Manor – Brighton Rec to purchase supplies.
 - Run/walk/bike night w/ RiseVT
 - Circuit Training – Maggie to offer a month long trial of circuit training to see if there is still enough interest to justify the program.
 - Yoga – Paul in contact with Dominique about restarting yoga classes.

4. Summer Program Guidance
 - Summer camp guidance call was not as informative as hoped. Planning on masks, no number cap, and basic Covid safety guidance.

5. **Bike Safety Class – May 1st**

6. **Gear Purchasing**
 - **Pickleball gear** – Paul to purchase two sets of pickleball gear so we can introduce folks to the sport and have some demo days. Heather suggested connecting with the Newport pickleball crew to see if they have any suggestions.
 - **Soccer balls/bag** – To purchase a nice soccer bag with 10-12 nice soccer balls.
 - **Skates** – Siskin?

7. **August Dodgeball Tournament**
 - Floated the idea of an adult dodgeball tournament in August as a fundraiser.

8. **Ice Cream Social – Date?**
 - August 8th. Going with an August date to ensure we are going to be past the tight Covid gathering rules. Should have park equipment out and available (soccer balls, volleyball, tennis rackets, etc.)

9. **Clyde River Recreation**
 - Paul talked with Chris about setting up a satellite station in Island Pond. To get select board's opinion.

Maggie and Scott proposed connecting with residents soon about the marathon (especially those on the race course). Going door to door may be the best option. We want to encourage as much public participation as possible.
